Welcome to Wilstar...

It's our pleasure to welcome you to Wilstar on May 30th for what promises to be one of the most exciting Holstein events of the year.

We invite you to take a few moments to study the statistics on the cattle selling, and then analyze the pedigrees throughout this catalog. You will find that the Wilstar herd has excelled in all phases of the Holstein industry. Whether you are a veteran established breeder or a rookie, we are confident you will find an abundance of exceptional investment opportunities awaiting you at Wilstar!

We have known Willis, Carla, Lynn & Sara since their days in 4-H, and certainly want to congratulate them for the many impressive accomplishments they have had at Wilstar.

If you appreciate beautiful, moneymaking Holsteins, we encourage you to be with us on May 30th at Wilstar for what promises to be a very special day for our industry.

Sincerely,

Tom & Sandy Morris
